## adhesives, compounds, insulation

---

### Sealing Membrane 30mx1m

Three-layer insulating and sealing mat to be used under Rocko Tiles boards. Enables quick and flexible sealing in wet areas, especially in direct contact with water.

### Rocko Tiles cleaning agent

Rocko Tiles cleaning agent 500 ml – removes dirt and limescale; does not leave grey film and greasy residue. It does not damage the surface.

### Adhesive

One-component, ready to use, flexible, solvent-free assembly adhesive and sealant. Has a very good adhesion to most materials and substrates used in construction works.

Available in 290ml cartridges and foil packages 600 ml.

---

### Rocko flooring

Rocko Flooring is a high quality SPC flooring with a strong core made of 70% natural stone which makes this type of flooring exceptionally durable, wear resistant and water resistant.
