

# Kronodesign®

## A World of Design Possibilities™

The first impression of any space starts at the front door. Create inspiring interior design that makes a good first impression with our new HPL Door Collection.

Turn your ideas to life with our selection of decors.

### Color

A palette of 27 monochrome decors - from muted and pastel tones to vibrant primaries. The perfect range to combine with woodgrains, high gloss and matt designs that will compliment and transform any space.

### Invisible Touch

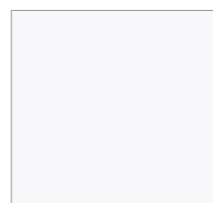

A selection of soft-touch decors with a special velvety texture and an anti-fingerprint finish.

### Wood & Stone

Contemporary stone and wood decors that bring timeless style and durability to all environments. The wood designs, from natural oak, to darker and more masculine wood reproductions as elm, hickory and walnut, have a silky matte finish exposing the subtle gloss of the wood pores.

The system codes RAL, NCS and PMS (Pantone) represent the closest color match to the decor and should be used as guideline only.

## Integrated Solution

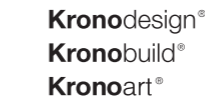

Our HPL Door Collection meets all functional and aesthetic requirements: the materials have been optimized in terms of making them easy to work with, they allow doors to be realized in matching finishes, and are of an uncompromisingly good quality.

With our coordinated range of materials, you can create matching, sophisticated interior concepts with a high quality feel and look that can withstand long-term heavy use.

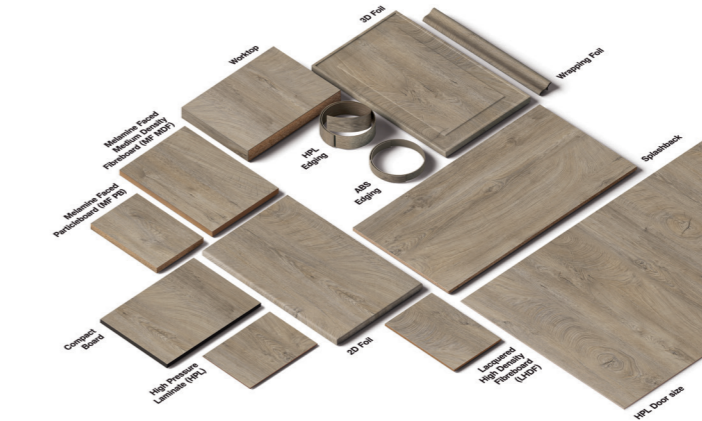

Here at Kronospan we continuously research, develop and innovate to bring new products to the market. We are the world's largest producer of wood-based panel products, but we do so with care for people and the environment, minimizing impact by the use of state-of-the-art sustainable technologies.
